“ Mike had been in my life since I was a little girl. He was a strong father figure that I grew to trust and love. He treated me like a daughter and I knew I could ask and receive sincere advice from him anytime. My fondest memory of Mike was my latest visit to El Paso. Mike, Juanita, my mom and I all went to the casino. Everyone at the casino knew him! He had that type of personality that people were drawn to. You will forever be in my heart Mike love your daughter Leticia

“ I am truly sorry to here of Mikes passing.My childhood best friend, we were so close, we stood by each other like the Stand by Me. We were close from little kids hunting ,fishing, biking playing baseball, football and basketball. Our Mom Juanita always watching every step we did and kept us in line. Growing up into high school was our best years, girls came into our lives, and we were introduced to party times.We used to put all our lunch money for the week together to put gas in car, for drive-in, beer and Hamburger Hut. We had our best years both as kids and growing up i. high school.Mike was my best friend thru these years, until reality hit and had to meet life that changed everything. We went our ways, I left El Paso and continued our friendship until life took over and lost touch.I found out today of my best friend passing and this really hit me, all memories came running through my head and my heart as Mike was always funny and most of all a Great Friend, time has passed us by but all the memories we have will always be in my heart. He will be missed a Great Friend ,miss all the Great Times we had , will never forget the best times we had.I wish we could bring time back, Rest In Peace my brother.Love You Pancho [Frankie Flores] see you on our next journey. Mom Junita, you were always there for me and I really feel so sad to hear of Mike's passing my prayers to you and my biggest hug of love to you. I am very sorry and feel terrible. Love you Panchito as you have always called me.
