

Sergio Torres

May 20, 1966 - January 17, 2021

Sergio Torres, 54, passed peacefully January 17th, 2021. Although he will be missed, Sergio is survived through all the love he showed and left behind. All the memories of him being a reliable friend, a supportive brother, a warm and loving son, a fun Grandpa, and the coolest most beautiful Dad we could have experienced. We will always remember his heartfelt invitations to breakfast, his jokes, his laugh, his music trivia, and his work ethic. He always took so much pride in things he created and never failed to show us what he had accomplished in his life. We are proud to call him our Dad. He was the perfect example of a selfless family man. Everyone who knew him, will tell you the same. He will be remembered and greatly missed. Until we meet again, Rest in Peace Dad.

The funeral services will be held on January 29th from 1-4pm and January 30th 9-9:30am at Sunset Funeral Home on 4631 Hondo Pass Dr. El Paso, TX 79904.
